PRESIDENT'S MESSAGE...*Susan Bass*

Dear CNN members, I am doing well and have begun to venture out. Thank you for all your prayers, cards and well wishes during my time of overwhelming maladies. It is great to be back and planning to get CNN up and running again. It will be up to each special interest group leader to get their group starting activities again. Sharon is hosting the Tea Group in April and I hope to start What's Cooking? in May. I'm sure others will join in soon. It will be so nice to spend time together again. ~Susan

VICE PRESIDENT...*MaryAnn Evans*

As I recuperate from surgery I feel like I am still in the pandemic, trapped in the house; although I have received both vaccines, as well as I hope you have too. Maybe the light is finally coming to the end of the tunnel. I pray for a blessed Easter season for all. MaryAnn

From Phyllis Pisano: I just want to thank those that took the time during my illness and recovery to call, sent cards, and flowers. So much appreciated. What an experience this has been. Love to all, Phyllis Pisano

We are so enjoying spring and all the blossoms and freesias, love this time of year.

CNN sent two cards this month, both to Kathy Hidalgo. Her husband John had a severe stroke and we sent healing prayers, with our thoughts of comfort to Kathy. A card expressing our sympathy was sent later, when sadly John passed away. ~Carolyn

If you know of a member or someone in a member's immediate family who are ill or bereaved, or if there is a death in the family, please let me know so I can send a card, Carolyn Edwards: 772-2462 or bcedwards@comcast.net.

APRIL 2021 Covid Spring Special Section

From Kay Mladinich: Easter blessings to everyone! Isn't it a beautiful week? We are preparing for an Easter dinner at Sandy Panattoni's—just a small group. Hey, parties are coming!!

Daughter Mara and I are ankle deep in weeds. I am so thankful I have someone to help with this chore. Gardening could be so much fun if we didn't have the chores!! Everything is growing and preparing to bloom. I enjoy the beautiful green grass on the hillsides, the lupine and golden poppies.

Our big event is coming April 10th--a baby shower. My granddaughter, Lynnaya, and Dre are expecting a boy May 5th. They are so excited.

From Betty Smith: We'll be joining our family for the first time in over a year, for Easter this Sunday. Six of us out of 10 have been vaccinated so apparently we should be okay!! Our great-granddaughter is getting cuter and cuter by the day: trying to do the splits? Oh, woops I guess she was just trying to get her foot in her mouth!! Galan is replacing our back deck, what a job! We try to go for a walk every day, but with my bum hip I don't know how much longer we'll be able to do that! Hope we can all get together soon, I miss you all!!

From Joannie Dahlgren: Hey look me over, lend me your ear,
Fresh out of clover mortgage up to here...
Now that I have your attention, read this!

If you're wondering what to do on a Tuesday morning in Valley Springs, wonder no more. The La Contenta Niners are having fun and making Herstory every Tuesday rain or shine! If you're thinking that you just don't know how to play, no worries. These ladies are generous with their vast knowledge of the game. And, of course, the club has professional instructors as well. So...

We'll be up like a rosebud, high on the vine
Don't thumb your nose bud, take a tip from mine!
We're a little bit short of the elbow room but we will make some room
And look world, here we come! By Joannie Dahlgren

Happy Group!

From Mary Hyodo: We've been waiting for a great grandchild but to no avail. We did, however get the cutest little great-grand dog. This is a photo of Bozley, a French Bull dog. He's 8 weeks old, very sweet, quiet and affectionate.

From Adela Hawkins: I was golfing on TUESDAY MORNING AT LA CONTENTA WITH THE NINERS. I GOT A PHONE CALL FROM PG&E REP., WHO I ASSUMED WAS GENUINE, ALERTING ME WE WERE GETTING OUR POWER SHUT OFF. AMOUNT DUE \$499.00. My husband takes care of bills. Couldn't get ahold of him. So I left the golf course and proceeded to withdraw cash and go to MARVEL's where rep said I could pay bill. He wanted me to send via a Coin Star machine. I was suspicious it was a scam at that point. I talked to a couple parked next to me and told them my story. They advised me not to send money. Shortly I receive another phone call from same man wondering why I had not sent money. I told him I called police and they identified this as a scam. A word of caution don't believe what those scam artists are telling you. I almost got scammed. Thanks for reading this. I called PGE when I got home. There was not a problem at all. They always send a letter whenever there is a problem first before they disconnect power.

From Sharon Quintana: Keeping up with the Quintanas: Wow, spring is certainly here in the Quintana yard. We have 4 baby cottontails who visit, and a bank of trailing rosemary alive with bees. This past Sunday, Leo and I were weeding in the side yard. The sun was warm with a slight breeze blowing and our neighborhood was full of natural music. We could hear the bees in our yard and the neighbor's rooster crowing (yes, he is a bit confused about when dawn arrives). We could also hear the pigs across the way and the goats, sheep, cows and horses who live down the hill. We really do live in God's country. Enjoy these pictures of our rosemary and the side yard.

From Ann Soares: Below are pictures of beautiful succulent terrariums my daughter Lee Ann created in a virtual workshop (online) with the help of a skilled professor. Her employer offered it for staff as a Covid year break to relax with something different. She said it was fun and learned better how to set it up, would do again. You just water these twice a month with 3 tablespoons of water. The classes are \$55 for a day, includes all the supplies. Company is in SF, but class is virtual. <https://www.eventbrite.com/e/virtual-vertical-gardening-workshop-sunday-may-16th-tickets-146668933729?aff=ebdsoporgprofile>

Well that does it for our CNN April Newsletter. I think probably we are all getting over this lifestyle we have had to live for over a year. But I am so thankful to those who sent their wonderful content for this issue. It does appear that the future looks better and possibilities look brighter for a more normal life going forward. Just always remember:

Happy Easter!
